

FAQ

A player is on the line up Card but not showing on the USSSA online Roster?

A roster Protest must be made before the 1st pitch of the 2nd inning. (unless TD of event picks another time frame) If a player is caught on a lineup card that is not on the USSSA online Roster or a Guest Player/Pick up form the offending team will receive a 7-0 Loss. If the player is of proper age/Class and not on another roster from a team currently playing in same event they will be giving a chance to correct the online Roster. The offending Team will not be eliminated from the tournament unless the 7-0 loss put the team out of the event.

How do I pick-up a player without adding them to my online roster?

You can print and fill out the pick up player form from the link below. These MUST be filled out completely and turned into the TD at check in prior to your 1st game. NO EXCEPTIONS.
